This stunning detached Edwardian villa has been totally renovated and refurbished throughout to create a superior quality beachfront holiday home directly overlooking Porthminster Beach and the well renowned award winning restaurant - Porthminster Cafe. Its slightly elevated beachfront position offers simply breathtaking views across Porthminster Beach and views can be enjoyed across to Godrevy Lighthouse, Gwithian right up the North coast.

The sitting room, dining room and all three bedrooms offer such views, rest assured you won't want to leave!

The delights of St. Ives are a few minutes walk away from its cosmopolitan restaurants through to boutique shops, pubs, bars and art galleries (including The Tate and Barbara Hepworth).

Compass House really does offer something that will charm everyone couples and families included. Its location is second to none, literally on the beach. The branch line train and car park is a couple of minutes walk away.

“ *Waking up to such a beautiful view each morning was pure paradise!* ”
