This gorgeous ground floor two bedroom apartment has just undergone a complete refurbishment and is our highly recommended choice for couples or a family seeking a luxury coastal apartment with sea views, two bathrooms, outside space and parking.

The owners have carefully selected a sumptuous combination of furniture and soft furnishings to create a well equipped luxury base from which to spend your break in Cornwall.

Seahorses enjoys an excellent location in Marazion town centre. Marazion itself is a small Cornish seaside town with a handful of good local pubs,

cafes, restaurants, shops and galleries not forgetting a post office.

There is a children's playground close to the property and Mounts Bay beach is literally a couple of minutes walk away....so you can actually see the sea from Seahorses. The infamous National Trust landmark - St. Michael's Mount can be accessed from Mounts Bay beach at low tide via the cobbled causeway or by boat at high tide.

“ Well thought out property in a great location! ”
