As the name suggests, this holiday cottage was once an old shop that has been thoughtfully renovated using traditional methods and materials by the owner, a local artist whose work is showcased throughout this interesting 'Cornish Gem'.

The Old Stores is an eclectic, well presented holiday cottage arranged over 2 floors with sea views from the kitchen and lounge windows.

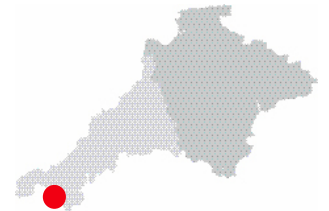

The ground floor comprises a well equipped kitchen and breakfast room, 2 double bedrooms and main bathroom. Upstairs the comforts of the stylish lounge/dining room can be found. There

is a wood burning stove, perfect for warming up those cooler summer evenings and creating that cosy cottage feel during the Autumn and Winter time.

Porthleven is a historic and picturesque fishing harbour overlooking Mounts Bay, West Cornwall. Ideally located between Lands End and Lizard Point.

“What a treasure! A cosy, well equipped holiday home.
